# MAINTENANCE TOOLCASE

The Maintenance Toolcase is a comprehensive toolkit for Certified providers to service all L-Acoustics enclosures, electronics, rigging elements and transport accessories.

Tools from Facom®, Fluke®, Tohnichi, ABUS and Würth have been carefully selected for their pro grade quality and durability, and are safely protected in a convenient carry-on case. The Maintenance Toolcase is the ideal set of tools to perform all service and maintenance tasks in line with L-Acoustics service manuals.

The Maintenance Toolcase includes the following components:
